

WE NEED YOUR HELP!

Homeowners may sign a proxy that is used to help establish a quorum at Master Association Member meetings. Signing a proxy authorizes the Master Association's Board of Directors to represent you -- for purposes of establishing a quorum only, **not for voting**.

Your proxy helps the Master Association avoid incurring additional expenses in mailing meeting materials. You may rescind the proxy by written notice, or by attendance at a Master Association Member meeting.

Please return the completed form, by mail to:

PGA WEST Master Association
P.O. Box 1516
La Quinta, CA 92253

Or you can drop the proxy off at any of the manned gates.

If you are unsure whether you have signed a proxy, please send a note to info@pgawest-ma.com and we'll look for you.

Thank you!
