

Communication Survey Asks:

"How Are We Doing?"

"What Can We Do Better?"

(The following message is the latest in an on-going series of e-mails from the PGA West Master Association Board, describing the Board's decisions, challenges and priorities. This message is being sent by Sarah Murr, Board Member and Chair of the Communications Committee.)

Dear PGA WEST Homeowner,

In October 2014, the PGA WEST Master Association began a new communication program for homeowners. The communication program includes a new website, and regular e-blasts to

homeowners.

The website and e-blasts are meant to be helpful resources for the nearly 3,000 property owners who call PGA WEST home.

These communication tools are designed to provide timely news updates about Board decisions and activities, Committee activities and recommendations, progress reports on development activities, and other improvements to our community.

Our Communications Committee hopes these regular communications help you see that the Master Association is being a responsible steward of your monthly assessments.

To visit our website, [click here](#). To review recent e-mails, [click here](#).

Communication is a two-way process. So, we'd like to know what you think about our e-mails and our website. To help us improve our communications with homeowners, we've developed an anonymous online survey. You should be able to complete the survey in five minutes or less.

Please [click here](#) to take the survey.

The survey will be open until Feb. 13. Results will be shared with the Master Association Board at its March 5 meeting, and with homeowners a week later in our March Manager's Monthly Message.

Best regards,

Sarah Murr
Chair, Communications Committee
PGA WEST Master Association Board of Directors
