Go Green Communication: **PGA WEST Master Association Delivers** **2014 Audited Financial Statement**

(The following is a "Go Green" message from the PGA WEST Master Association Board and its management team. You are receiving this Go Green message because you signed up for our Go Green communications. This message is being sent by Cassie Gertz, Association Manager, on behalf of the Master Association Board.)

Dear PGA WEST Homeowner,

We're pleased to bring you another Go Green communication from the PGA WEST Master Association.

In this note, you'll receive a document you received in previous years by US Mail. We send the Audited Financial Statement each year around this time, as required by California Civil Code.

But because you've signed up to **Go Green**, you're now getting all the materials you're legally entitled to -- but faster, cheaper and greener. **Go Green** communication saves the Master Association money by using less paper, ink, postage and administrative costs. And it's far better for the environment.

So we thank you for your commitment to sound business and environmental practices.

Our 2014 Audited Financial Statement was prepared by Brabo & Carlsen, LLP, in accordance with generally accepted accounting principles. They perform an audit of the Master Association's financial records for the year and issue an opinion based on that audit.

The material was reviewed, accepted and approved for distribution to all homeowners by the Board of Directors on March 5, 2015.

The full contents of the 2014 Audited Financial Statement are posted on the Master Association website. [Click here](#) to view them.

If we inadvertently sent you the 2014 Audited Financial Statement by US Mail, we apologize for the duplication. Please [click here](#) and let us know if you received the document in the US Mail as well as electronically.

As always, if you have any questions, please feel free to contact me.

Sincerely,

Cassie Gertz
Association Manager
for the PGA WEST Master Association Board of Directors
