

Important Upcoming Meetings: Master Association Annual Meeting & Election and CVWD Town Hall Meeting

The following message is the latest in an on-going series of e-mails from the PGA West Master Association Board, describing the Board's decisions, challenges and priorities. This message is being sent by Michelle Howard, General Manager, on behalf of the Master Association Board of Directors.

Master Association Annual Meeting & Election Reminder

The Master Association will hold its 2016 Annual Meeting & Election of Directors on Monday, April 11, 2016 at 3:00pm at the Private Clubhouse.

CVWD Town Hall Meeting

CVWD has scheduled a Town Hall Meeting on Tuesday, April 12, 2016 from 4:00pm to 5:00pm at the Private Clubhouse. This meeting is being held to share information and to solicit questions and input about the Chromium 6 treatment facility located on CVWD property along Airport Boulevard and the Greg Norman Course. Homeowners who would like to obtain additional information may contact CVWD Engineering Manager, Dan Ruiz at druiz@cvwd.org

CVWD must achieve compliance with the new hexavalent chromium (chromium-6 or Cr6) drinking water regulation that was enacted by the State of California and became effective July 1, 2014. Based on extensive research and evaluation of various chromium-6 treatment technologies, CVWD is building an ion exchange treatment plant (IXTP) approach for removing chromium-6 from affected drinking water wells. Implementation of the project will enable CVWD to continue to meet its top priority of delivering high quality drinking water that meets stringent state and federal standards.

The next regular Board meeting is scheduled for 2:00 P.M. Thursday, May 5, 2016 at the Private Clubhouse. We'll post the agenda on our website and at the Master Association office four (4) days prior to the meeting.

If you have questions, please feel free to contact the Master Association management office at 760-564-3858.

Michelle Howard, CMCA, AMS, PCAM
