*The following message is the latest in an on-going series of e-mails from the PGA West Master Association Board, describing the Board's decisions, challenges and priorities. This message is being sent on behalf of the Master Association Board of Directors.*

### **URGENT UPDATE - PGA BOULEVARD PAVING / ACCESS THROUGH STADIUM GATE**

Contrary to our previous communications, early this morning the paving contractor applied slurry seal to the entire entrance at the Stadium Gate. This has closed the Stadium to both inbound and outbound traffic until the slurry seal dries. It is anticipated that the Gate will reopen by noon today.

The remainder of today's scheduled work - including applying slurry seal to the inside lane of PGA Blvd; the inside lanes of Arnold Palmer; and the remaining portions of the Nicklaus and Weiskopf gate entrances continues

Our sincerest apologies for the miscommunication - and for any inconvenience caused by the unexpected closing of the Stadium Gate.

Sincerely,  
Your Board of Directors
