

PGA West Master Association October, 2018 Newsletter

The following message is the latest in an on-going series of e-mails from the PGA West Master Association Board, describing the Board's decisions, challenges and priorities. This message is being sent on behalf of the Master Association Board of Directors.

Dear PGA WEST Homeowners,

PGA BOULEVARD TO BE RE-STRIPED

The Master Association has not been pleased with the present condition of the new striping on PGA Boulevard - with the white paint having significantly deteriorated since its installation in mid-June. After much discussion, the original pavement contractor, Aggregate Products, Inc. has agreed to re-stripe all of the white pavement markings - including lane markings and pavement signs.

The re-striping is scheduled to take place on Wednesday, October 24th, beginning at 9:00 PM.

All property owners are urged to use caution while these workers and their equipment are on site.

Sincerely,

Your Board of Directors
